Reports:

1. Melissa A. Wehr  
Township Manager

1. Mrs. Wehr advised Council that future Council Meetings starting with the April 15 Regular Council Meeting will be televised via Zoom and explained to them how that would take place including inviting the public where they can submit their comments ahead of time after viewing the Agenda which will be posted on our website and Facebook pages and presented to the Board for comments. They may also join in the Zoom meeting via their computer or smart phones in observation of the meeting.

2. Mrs. Wehr brought Council up-to-date on the Township's Staff and Public Works day-to-day duties during the Coronavirus epidemic and confirmed and reassured them that Staff is continuing to provide the essential business of the Township. Mrs. Wehr also advised Council that staff is keeping the Public up-to-date as well through the Township's website and Facebook pages.

3. Mrs. Wehr explained to Council that the Township has had expenses due to the ongoing Coronavirus pandemic. Staff is keeping records to submit for reimbursement.

4. Mrs. Wehr said Josef Frangito, Public Works Supervisor, will be searching for a company to clean and sanitize our Park facilities and playground equipment before any of the Township parks are reopened.
