Courtesy of the Floor: At this point in the meeting, the Township Attorney stated for the record that prior to tonight's meeting, Council had discussed the fact that two of the five members would be out of town for this meeting, but the Township still at that point in time had a quorum of three members. However, since that time, one of the three members became unavailable and the Township needed to take action, in particular, for the payment of bills which will become due. That made it necessary to hold the meeting in the fashion where Mr. Woolley attended the meeting via telephone conference. The Township Attorney noted that the courts consider this approved as long as everyone can hear and is aware of what is going on. Attorney Eaton also noted that the Township had employed the telephone conference scenario before when Councilwoman Hayden had been on the Board and was physically unable to attend the Council meetings.

Adjournment:

The meeting was adjourned at 7:40 P.M.

Respectfully submitted,

Sandra A. Pudliner
Township Manager
